Terms & Conditions of the HMU Commercial Lighting Rebate

Eligibility: This program offers rebates for purchasing energy efficient commercial lighting. Customers in the Harlan Municipal Utilities (HMU) service area are eligible for these rebates. Items must be purchased between July 1, 2009 and June 30, 2010. Applications must be filed by July 31, 2010. HMU Reserves the right to change any portion of this program or to end this program at any time without notice.

Qualifying Purchases: HMU reserves the right to verify installation of all qualifying equipment.

Rebate Amounts: Rebates are \$8.00 per electronic ballast for lighting retrofits or new installation. Please allow 4 to 6 weeks for payment.

Verification: Copy of sales receipt indicating items purchased, date of purchase, purchase location, quantity and price must accompany rebate application. **Incomplete applications will be returned.**

Disclaimer: HMU does not guarantee that implementation of energy-efficient measures or use of the equipment purchased and/or installed under this program will result in reduced energy usage or cost savings. HMU makes no warranties, express or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall HMU be liable for any incidental or consequential damages. The decision of HMU regarding any disputes which arise in the rebate program is final.

Additional Information on HMU's energy efficiency program may be obtained by calling HMU at 755-5182.
